<b>AGENDA ITEMS</b>
---------------------

<p>Work programme</p> <ul style="list-style-type: none"> <li>• <b>Health Quality Checkers</b> Bowel screening questionnaire in draft. Developing questionnaires for related areas (endoscopy, radiology and out-patients) to ensure effective quality check.</li> <li>• <b>Be Cancer Aware</b> Reducing my risk campaign Very well received campaign. Analysis of reach being undertaken.</li> <li>• <b>Be Screening Aware</b> Funding agreed with Northern Cancer Alliance for 50% of development and pilot. PHE screening looking to fund other 50%. For roll out NCA will fund 50% and network cover additional 50%. Invite for self-advocacy organisations to take part to be distributed in next couple of weeks. We are looking to co-produce with teams of up to 4 people from 3 self-advocacy organisations. The development work aims to start in late June.</li> <li>• <b>Targeted Lung Health Checks</b> Roll out of TLHC is progressing slowly due to staffing issues. Learning disability support pathway (similar to bowel screening flagging) is embedded into the pathway.</li> <li>• <b>Inpatient screening</b> Working with TEWV to pilot and roll out access to bowel screening for inpatients. Meeting Physical health leads to discuss pathway this week.</li> <li>• <b>Inpatient urgent referrals</b> Again working with TEWV and Roseberry Park to pilot use of urgent referral forms for all suspected cancer referrals, these will be managed and monitored as a 2 week wait.</li> </ul>
